

CLIENT TESTIMONIALS

“When I first connected with Ryan, my intention was to list my house for sale. His knowledge of the market and professional approach made me feel confident right away. When circumstances changed due to the economic environment, I decided to pivot to rental management instead. Ryan was right there, adapting seamlessly to the new plan with strong tactics that benefit all parties.

Throughout the entire process, Ryan's communication has been and continues to be exceptional - he continues to keep me informed every step of the way and always makes time to address my concerns. His ability to pivot with confidence and handle this transition effortlessly truly impresses me.

Now that my property is a rental, Ryan and team have been nothing but reliable. From finding quality tenants to managing maintenance, they consistently deliver on their promises. Ryan's deep understanding of the rental market has helped maximize my income, and I trust him completely with my property.

If you are looking for a trustworthy, knowledgeable, and dynamic property management partner, I cannot recommend Ryan enough. He made what could have been a stressful situation incredibly smooth, successful, and someone I truly enjoy being partners with.” – *Katie S. in Westminster*

“Clint Sales and his team are excellent at what they do. I couldn't be more confident my properties are well taken care of. He is consistent and thorough in all his communication with me, and I always feel informed of how my assets are performing. It's been such a relief since switching to his management services. No more headaches with renters! Thank you, Clint!” – *Leo S. in Erie*

“There aren't superlatives enough for my esteem of Ryan Sondrup, both as a person and realtor/property manager. His tireless work over six months built an enduring relationship, found my family's home, and creatively closed a sensitive deal. When it came time to invest in a rental, I had the honor of Ryan's guidance a second time, including his usual thorough and reliable communication. For the past seven years, he's managed every part of the rental, delivering amazing value for his reasonable fees, handling tenant challenges, and continuing to demonstrate that he is the only Front Range realty professional I'll ever need!” – *Aron R. in Boulder*

“I started working with Clint Sales years ago on a small rental property that I didn’t want anything to do with anymore. Clint was able to solve a really difficult tenant situation and once the tenant was out, he was able to coordinate the necessary renovation work in a timely and cost-effective manner. As soon as the property was ready it seemed like we had a great tenant in there immediately. At one point, I thought my only option was to let the property go. I can’t speak enough to how much I trust Clint with my rental property.” – *John B. in Denver*
